1. GENERAL

1.1 Each Order shall be deemed to be an offer by the Buyer to purchase the Goods subject to these Conditions. The Supplier's quotations are not binding on the Supplier and the Contract will only come into being upon the Supplier sending out a written acknowledgment of the Order (unless the Supplier in its absolute discretion waives this requirement) or (if earlier) delivery of the Goods. Where Goods are delivered pursuant to a verbal order or the issue of a consignment note importing these conditions shall constitute the Contract.

1.2 The Contract will be subject to these conditions. The Buyer's terms and conditions appearing or referred to in the Order or otherwise shall have no effect. No variation or addition to these Conditions (including the Buyer's own terms) is effective unless expressly confirmed in writing by a director of the Supplier. Acceptance of delivery of the Goods or any quantity of them shall be deemed to be acceptance by the Buyer of these conditions.

1.3 Where Goods are to be supplied from stock, such supply is subject to availability of stocks at the date of delivery.

2. PRICE

2.1 The price stated in the Contract is based on taxes and levies and upon the cost to the Supplier of raw materials, fuel and power, transport and labour and all other costs at the date of acceptance of the Order or quotation (whichever is earlier). If at the date of despatch of the Goods from the Supplier's works or if at the date of carrying out the Services there has been any increase in all or any of such taxes, levies or costs; the Buyer shall pay any such amount as required in the absolute discretion of the Supplier upon the Supplier giving the Buyer written notice (including by email). Quotations in a currency other than sterling are based on the rate of exchange at the time of quoting and, unless otherwise stated, the price may be subject to revision up or down if any different rate of exchange is ruling at the date of invoice.

2.2 Where the price for the Goods or Services is varied in accordance with condition 2.1, the price, as varied, shall be binding on both parties and shall not give either party any option of cancellation. The varied price shall apply to all orders delivered after the date specified in the notice.

2.3 There shall be added to the price for the Goods or Services any value added tax and any other tax or duty relating to the manufacture, transportation, export, import, sale of delivery of the Goods or performance of the Services (whether initially charged on or payable by the Supplier or the Buyer) and the Buyer shall pay any such VAT or any other form of taxation imposed on the Goods.

2.4 The Supplier reserves the right to charge the Buyer where: (i) deliveries are made outside the Supplier's normal working hours; (ii) deliveries are in part loads rather than full loads; (iii) deliveries are made by crane discharge vehicles; (iv) after midday on the day before the due date for delivery the Buyer asks the Supplier to postpone the delivery to another day, and the Supplier in its absolute discretion agrees to postpone the delivery; (v) additional delay occurs after an allowance of 30 minutes being calculated from the time of arrival at the part of a metalled highway nearest to the point of unloading, and the time of completion of the discharge of such load, (vi) deliveries are made on Bank Holidays, Sundays and Saturday afternoons; and/or (vii) the Buyer purchases a materially smaller quantity of Goods than any quantity referred to in the quotation or Order (whichever is earlier).

2.5 All Goods to be supplied under a Contract by the Supplier must be accepted in full unless the Supplier expressly agrees in writing to any deductions or to difference in quantity. If the Buyer varies, cancels or refuses to accept delivery of an Order then the Buyer shall pay all additional costs that may be incurred by the Company.

3. PAYMENT

3.1 Subject to credit being approved in writing by the Supplier, accounts are due for payment not later than the 28th day of the month following the month of delivery by the Supplier to the Buyer otherwise payment must be received by the Supplier before delivery. Whether in relation to this Contract or other contracts between the parties, all payments shall be made without any right of (a) deduction, (b) abatement, (c) set off or (d) counterclaim provided that the Buyer having made payment shall be entitled to pursue any claim it may have against the Supplier under the Contract.

3.2 When deliveries are spread over a period, each consignment may be invoiced as despatched and each month's invoices will be treated as a separate account and be payable accordingly. Failure to pay any invoice in accordance with the foregoing terms or other terms specified in the Contract shall entitle the Supplier to suspend further deliveries and work both on the same order and on any other order from the Buyer without prejudice to the supplier's other rights.

3.3 The Supplier also reserves the right to charge interest on overdue accounts, such interest to be calculated on a day to day basis on the amount outstanding at the rate set by the then current Order made in accordance with Section 6 of the Late Payment of Commercial Debts (Interest) Act 1998 as amended from time to time.

3.4 The Supplier reserves the right (under this Contract or other contracts with the Buyer or any of its associated companies), where genuine doubts arise as to a Buyer's financial position or in the case of failure to pay for any Goods or Services or any delivery or instalment as aforesaid, or on the Buyer reaching or exceeding any agreed credit limit, to suspend delivery or performance of any order or any part or instalment without liability, until payment or satisfactory security for payment has been provided.

3.5 Where Goods are to be delivered outside the United Kingdom, payment must be made against delivery of the Goods or shipping documents FOB UK post unless credit arrangements within the United Kingdom approved by the Supplier in writing have been made.

4. TITLE TO GOODS

4.1 Notwithstanding that risk in the Goods shall pass to the Buyer in accordance with condition 7, ownership of the Goods shall remain with the Supplier until payment in full has been received by the Supplier; (i) for those Goods, (ii) for any other Goods supplied by the Supplier to the Buyer and (iii) of any other monies due from the Buyer to the Supplier on any account.

Any resale by the Buyer of Goods in which property has not passed to the Buyer shall (as between the Supplier and the Buyer) only be made by the Buyer as agent for the Supplier.

4.3 At any time before title to the Goods passes to the Buyer (whether or not any payment to the Supplier is then overdue or the Buyer is otherwise in breach of any obligation to the Supplier), the Supplier may (without prejudice to any other of its rights): (i) retake possession of all or any part of the Goods and enter any premises for that purpose (or authorise others to do so which the Buyer hereby authorises); or (ii) require delivery up to it of all or any part of the Goods and the Buyer shall indemnify the Supplier against all and any cost incurred in so doing.

4.4 The Supplier may, at any time, appropriate sums received from the Buyer as it thinks fit notwithstanding any purported appropriation by the Buyer.

5. QUALITY AND LIMIT OF LIABILITY

5.1 Subject to the terms herein, the Supplier will at its sole discretion replace or repair any Goods which are proved to be defective or otherwise not in accordance with the Contract ("Defective Goods") or are not of satisfactory quality or are not in accordance with any applicable British Standard or European Standard as accepted by the Supplier. In any event, the Supplier shall not be liable under this condition for any defect or failure in the Goods unless the Buyer notifies the Supplier writing within 10 working days of the Goods being delivered, and that a detailed claim, satisfactory to the Supplier, in writing of the defects is submitted to the Supplier within 28 working days of the Goods being delivered.

5.2 The Supplier will at its sole discretion reimburse the Buyer the reasonable cost of physically removing the Defective Goods as stated always subject to the limitations in conditions 5.1, 5.4 and 5.10 below.

5.3 Save as specified in condition 5.1 the Supplier shall not be under any other liability to the Buyer whether in contract, tort (including negligence or breach of statutory duty) or otherwise for any form of damage, loss, cost or expense, whether direct or indirect, consequential, physical or economic (including but not limited to loss of profit and liquidated and/or unliquidated damages attributable to delay and/or disruption), which arises out of or in connection with the supply of the Goods or their use by the Buyer.

5.5 Notwithstanding condition 5.1, the following provisions shall apply: (i) the Supplier will not be liable to the Buyer for any losses or costs resulting from unsuitable application, wrongful handling or placing of the Goods adopted by the Buyer; (ii) all testing of Goods or specimens having been carried out in accordance with the relevant clauses of EN1338 (where applicable); (iii) references to strength in the specification shall unless otherwise agreed refer to the strength obtained from Goods made, cured and tested in accordance with EN1338 (where applicable); (iv) the Supplier being given all reasonable facilities to investigate any alleged defect and the Buyer following any reasonable representations made by the Supplier as to any remedial action to be taken;

5.6 The Buyer shall be under a strict duty to mitigate and minimise the adverse consequences, damages, loss, costs and expense arising from the supply of Defective Goods.

5.7 If any Goods are known by the Buyer to be outside of the specification or the terms of any order, under no circumstances shall the Supplier ever be liable for costs or liabilities relating to the continuance of works or further constructions, which shall be at the sole risk of the Buyer.

5.8 Save as set out in condition 5.1, no warranty, condition or guarantee of the quality or performance of the Goods is given and all such warranties and conditions whether express or implied by law or otherwise are, to the fullest extent permitted by law hereby excluded from the Contract (save for the conditions implied by section 12 of the Sale of Goods Act 1979 (as amended)).

5.9 Without prejudice to the generality of the foregoing, the Supplier's knowledge of the purpose for which the Goods or Services are intended to be used does not imply any warranty on the part of the Supplier as to their quality or fitness for that purpose. Save as aforesaid and save as expressly incorporated into the Contract by the quotation, acknowledgement of order or consignment note, no tender, specification, illustration, drawing, brochure, catalogue, or other information sent or made available by the Supplier, or sent or made available by the Buyer, shall have any contractual effect. In so far as the Buyer requires any term or representation contained in any such document or made orally by any of the Supplier's servants or agents to be incorporated into the Contract, express agreement of the Supplier thereto must be obtained in writing. In the absence of any such express agreement, liability for any misrepresentation (save in respect of any fraudulent misrepresentation) is hereby expressly excluded.

5.10 Subject to condition 5.11, the maximum aggregate liability of the Company arising out of condition 5.1 or in connection with the supply of Goods and/or services use by the Buyer shall be limited to three times the price of the Defective Goods. The Buyer acknowledges that it bears the risk of all additional expenses, costs, losses, damages and liabilities which may be incurred. The Buyer acknowledges that it can obtain insurance to cover such potential expenses, costs, losses, damages and liabilities. Should the Buyer wish the Supplier to have a higher limit of liability this must be raised with the Supplier at the earliest opportunity and expressly agreed by the Supplier in writing.

5.11 Nothing in these conditions shall limit or exclude the liability of the Company for (i) death or personal injury resulting from negligence of the Company, its agents or employees; or (ii) fraud or fraudulent misrepresentations or (iii) any other liability which cannot by law be excluded or limited.

Any delivery date, period or time agreed or given by the Supplier is an estimate only and the Supplier shall not be liable for any damages or losses arising out of failure to meet such time, date or period. Buyer must give reasonable notice. For the avoidance of any doubt, the time for collection, or delivery, of Goods, or the performance of the Services by the Supplier shall not be of the essence.

6.1 To Site: (i) the Buyer shall provide and shall clearly indicate to the driver of the Supplier's vehicle, the route between the metalled highway and the point at which the Buyer wishes the Goods to be unloaded from the vehicle which is, and which in the reasonable opinion of the driver, is safe and proper and reasonable for the access, the manoeuvring and the egress of the vehicle. The practice of signing for Goods 'not examined' does not absolve the Buyer from this condition.

6.2 Goods supplied ex works: (i) where prices are quoted 'ex works' the Goods will be loaded onto the Buyer's vehicle at a suitable delivery point at the Supplier's works as directed by the Supplier's Works Manager or his appointed deputy. Where practicable, reasonable advance notice shall be given by the Buyer of the date and time when the Buyer's vehicle will collect the Goods; (ii) the Buyer's vehicle will be loaded with all reasonable dispatch but the Supplier shall not be liable for any delay in the loading of Goods onto the Buyer's vehicle or any loss consequent thereon; (iii) the Buyer's driver must advise the Supplier of the acknowledgement of order number on arrival at the Supplier's works, and the Supplier will not accept any liability arising out of any delay caused by a failure to provide this number; (iv) the Buyer will be responsible for the condition of the vehicle in which it collects the Goods (whether owned or hired) and the Supplier shall not be liable in any way for loss or contamination of Goods resulting from the condition of such vehicles. The Supplier will use reasonable endeavours to inform the Buyer should such a Force Majeure event occur but shall be under no liability to the Buyer through its failure to perform its obligations during a Force Majeure event and for such time after it ceases as is necessary for the Supplier to recommence operations. If the Supplier is prevented from performing its obligations for a continuous period in excess of 3 months either party may terminate the Contract by notice and neither party shall have any liability to the other except for those rights and liabilities which accrued prior to such termination.

7. RISK

7.1 Unless the Contract provides for delivery by the Supplier, the risk in the Goods passes to the Buyer when the Goods are despatched from the Supplier's works and the Supplier accepts no responsibility for any damage or loss in transit. Where the Contract provides for delivery by the Supplier, risk will pass at the point of delivery to the Buyer's site.

7.2 Goods returned which were supplied in accordance with the Buyer's purchase order will only be credited on the condition that the Supplier's written agreement to the return of such Goods has first been obtained in all instances. This provision is without prejudice to any other right which the Supplier may have in respect of the Buyer's failure to take delivery of the Goods or pay for them in accordance with the Contract.

9. SPECIAL PRODUCTS

9.1 Without prejudice to its rights at common law or otherwise, the Supplier reserves the right to charge the Buyer the full purchase price of Special Products where the Buyer cancels an order, or reduces the quantity of Special Products to be supplied, and the Special Products have been purchased or manufactured by the Supplier at the time of the cancellation or variation.
