

Ecogranite Slab Block Paving

Data Sheet

a Forterra brand

Ecogranite offers a sustainable alternative to freshly quarried granite and contains up to 77% by-product material. The striking bush hammered finish exposes sparkling granite and provides an excellent skid /slip resistance. They can be laid in conventional square, stepped and diamond patterns, the shades can be mixed to create a stylish bespoke look. Ecogranite kerb system and edgings have been specially designed to complement the range.
