CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL 1333 – CPR – 00197

In compliance with the Construction Products Regulation 2011 (retained EU law EUR 305/2011) as amended by the Construction Products (Amendment etc.) (EU Exit) Regulations 2019 and the Construction Products (Amendment etc.) (EU Exit) Regulations 2020, this certificate applies to the construction products:

PRECAST CONCRETE PRODUCTS

characterised as

Hollow core slabs

made of reinforced or prestressed concrete intended for structural use in the construction of the structures of buildings and other civil engineering works, except bridges. Marking method: 2.

Stairs

made of reinforced or prestressed concrete, used indoor or outdoor as structural stairs.
Marking method: 3.

Beams for beam and block floor systems

made of reinforced or prestressed concrete intended for structural use in the construction of the structures of buildings and other civil engineering works, except bridges. Marking method: 2.

produced by

Forterra Building Products Limited

5 Grange Park Court, Roman Way, Northampton NN4 5EA

in the manufacturing plant at

Hoveringham Lane, Hoveringham, Nottinghamshire NG14 7JX

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standards:

EN 1168:2005/A3:2011, EN 14843:2007, EN 15037-1:2008

under system 2+ are applied and that

the factory production control fulfils all the prescribed requirements set out above

This certificate was first issued on 1 January 2021 and will remain valid until 31 December 2023 as long as the test methods and/or factory production control requirements included in the designated standards, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

Date Authorised: 1 January 2021
