CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL

1333 – CPR – 00198

In compliance with the Construction Products Regulation 2011 (retained EU law EUR 305/2011) as amended by the Construction Products (Amendment etc.) (EU Exit) Regulations 2019 and the Construction Products (Amendment etc.) (EU Exit) Regulations 2020, this certificate applies to the construction products:

PRECAST CONCRETE PRODUCTS

characterised as

Box culverts

made of normal weight or lightweight reinforced concrete intended for structural use for the creation of voids below ground for the purposes of conveyance or storage. Marking method: 3.

Linear structural elements

made of reinforced or prestressed normal weight concrete, intended for structural use in the construction of the structures of buildings and other civil engineering works, except bridges.
Marking method: 3.

Retaining wall elements

made of plain, reinforced or prestressed normal weight concrete, used for the construction of concrete retaining walls to retain natural ground, earth fills and several kinds of loose materials as sand, gravel, etc. intended for use in structures of buildings and other civil engineering works, but not to retain liquids in tanks or reservoirs. Marking method: 2.

Foundation elements

made of reinforced normal weight concrete, intended for structural use in the construction of the structures of buildings. Marking method: 3.

Stairs and landings

made of reinforced or prestressed concrete, used indoor or outdoor as structural stairs.
Marking method: 3.

Bridge elements

made of reinforced or prestressed concrete intended for structural use in the construction of road bridges, railway bridges and footbridges. Marking method: 3.

CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL

1333 – CPR – 00198

Wall elements

made of normal weight or lightweight concrete, intended for structural use in the construction of the structures of buildings. Marking method: 3b.

produced by

Forterra Building Products Limited

5 Grange Park Court, Roman Way, Northampton NN4 5EA

in the manufacturing plant at

**Birchwood Way, Cotes Park Industrial Estate,
Somercotes, Derbyshire, DE55 4NH**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standards:

EN 14844:2006/A2:2011, EN 13225:2013

EN 15258:2008, EN 14991:2007, EN 14843:2007

EN 15050:2007/A1:2012, EN 14992:2007/A1:2012

under system 2+ are applied and that

the factory production control fulfils all the prescribed requirements set out above

This certificate was first issued on 1 January 2021 and will remain valid until 31 December 2023 as long as the test methods and/or factory production control requirements included in the designated standards, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
